A CLASH OF KINGSA SONG OF ICE AND FIRE: BOOK TWOWith a special foreword by Bernard Cornwell Time is out of joint. The summer of peace and plenty, ten years long, is drawing to a close, and the harsh, chill winter approaches like an angry beast. Two great leaders—Lord Eddard Stark and Robert Baratheon—who held sway over an age of enforced peace are dead . . . victims of royal treachery. Now, from the ancient citadel of Dragonstone to the forbidding shores of Winterfell, chaos reigns. Six factions struggle for control of a divided land and the Iron Throne of the Seven Kingdoms, preparing to stake their claims through tempest, turmoil, and war. It is a tale in which brother plots against brother and the dead rise to walk in the night. Here a princess masquerades as an orphan boy; a knight of the mind prepares a poison for a treacherous sorceress; and wild men descend from the Mountains of the Moon to jockey for the countryside. Against a backdrop of incest and fratricide, alchemy and murder, victory may go to the men and women possessed of the coldest steel. . . and the coldest hearts. For when kings clash, the whole land trembles. At the center of the conflict lie the Starks of Winterfell, a family as harsh and unyielding as the frozen land they were born to.
